WORK EXPERIENCE

Codebucket Solutions (P) Limited | SDE - 1

May 2025 - Present

- Contributed to the large-scale **ERP frontend** using **React**, **React Query**, **RHF**, and **Material UI**, covering **200+** business modules with advanced **RBAC**, optimized workflows, and strict session controls.
- Led development of the **COMFED (Sudha) government** project by developing a robust **React Native** application with **React Hook Form**, **React Query**, delivering key modules such as DCS management, farmer management, role-based access, and other operational workflows.

Walsis eConnect India (P) Limited | NextJS, ReactJs, Redux, Tailwind

Mar 2024 - May 2025

- Built **Sarthaks.com** student **dashboard** for **20M+** users with access to lectures, notes, tests, and progress tracking—boosting daily engagement by **30%**.
- Developed a dynamic **admin dashboard** supporting **project creation**, **user management**, **database connectivity**, **schema design**, and **custom table** views.
- Improved platform performance for BloomTuition and Quizard by fixing **150+** critical bugs, resolving SSR/SEO issues (**2x organic traffic**), and adding multiplayer + new quiz types (**↑ 50%** participation).
